

### **Bonnie Kelley**

Bonnie serves Imagine the Good in several areas of creative exploration: fundraising, promotion, marketing, networking, product development and educational outreach. Her background is diverse. Bonnie is the Co-Founder of Evolutionary Women, and a published author: *Tinkerbelle Jerusalem* and *Conscious Choices: An Evolutionary Woman's Guide to Life*. Bonnie lived abroad for eight years. She speaks French and German and taught French at an American School in London. Upon returning to the United States, she became a Genetic Counselor in the Department of Medical Genetics at the Harbor-UCLA Medical Center. Bonnie is a community organizer, group facilitator and inspirational speaker. She worked with Barbara

Marx Hubbard for ten years and is a founding member of the Santa Barbara Conscious Evolution Community. Bonnie considers herself "a spiritual activist for social change."
